

Voc

Soul Surge / Dig Deep

Freddie Hubbard
Lyrics by Clare Foster

Swing ♩ = 150 C7

We all should know that in - spi - ra - tion can be the real fuel of life A yearn and
light that shines in each one of us keep - ping us al - ive Un - fa - ding

3 C7

burn that keeps us see - king with - in Fee - ding us with love an hon - es -
flames that dwin - dle for - e - ver more like im - mor - tal stars the im - ma -

5 F7

ty that can be sought and then found nea - rer to your - self An Or - gan
te - ri - al and true part of man ne - ver lies or dies it keeps a

7 C7

of e - mo - tion thought and good will takes us to the facts This is an
chan - neled flow of i - deas that grow in - to grea - ter dreams A Mo - tion

9 G7

in - ner urge that thrives in - side and leads us on our way Just like the
that will run right through our veins it keeps us on that track Just like the

11 C7

Oc - ean waves that roar in the sea this is our soul surge There is a
Rain that pours out from the black skies this is our soul surge

as played on Clare Foster - The Music and I
